

ART1.1

Minimal visibility, maximum sound experience.

The ART1.1, that is literally one-on-one: an amplifier for one zone and for one source. You can decide the zone yourself. We determined the source: Bluetooth.

This gem produces an amazing sound. Together with your built-in speaker, it forms the ideal combination to fill each space (toilet, kitchen, bathroom etc.) with enough sound. You can make the connection in a blink of an eye and wirelessly stream the playlist of your dreams. No hassle with Wi-Fi and registering. Straight forward. In the room you desire.

Do you like things clean and zen? Thanks to its compact measurements, you can discretely conceal the ART1.1. You already get it: a pure approach for a pure sound. Of course, with the trusted ArtSound-quality label.
